## **Covid-19 Precautions & Policies**

- By and large, we will be following the policies set forth by the Sitka School District.
- **If you're sick, stay home.** Students and teachers testing positive for Covid-19 must isolate for at least 10 days. Students testing negative should stay home until being symptom-free for 24 hours.
- Students will wait in line with a 6ft minimum social distance until the teacher lets them in. Then students and teachers will sanitize their hands, have their temperature taken without contact and will answer a short series of health screening questions before entering the building.
- While the city is in HIGH or MODERATE alert levels, students and teachers are required to wear masks inside the building. In LOW or MINIMAL alert levels, masks are optional. Clean masks will be provided if a student forgets their own.
- **Travel Policy:** Vaccinated individuals are not required to quarantine after travel. Unvaccinated individuals should quarantine for 3 days after travel, and can return after a negative test.
- No more than one student will be allowed in the bathroom at a time.
- All high contact surfaces will be cleaned and sanitized before and after every class.
- **These policies are subject to review and revision at any time.**
